7th Annual Easton Farm Tour

This annual self-guided tour of Easton farms is a celebration of our farming community. Check in at the Easton Firehouse Green, One Center Road and pick up the event map and pass to events and incentives offered by farmers and community organizations throughout the day.

Check out the Library's display of books on farming, homesteading, gardening, and cooking fresh from the fields. (Click [here](#) for a brochure with suggested books.) To learn more about the event, see the [Citizens for Easton's website](#).

While checking in on the Firehouse Green, be sure to stop by the Friends of the Easton Library's booth and get your ticket for the Cow Chip Raffle at the 6th Annual Country Fair, Saturday, September 26 at the Library from 1:00 - 4:00 p.m.
